(F) ESTABLISHMENT AND COST

Deleted August 2020

Section 3-28 DEGREE PROCEDURE

(A) PERMANENT JURISDICTION:

Election to receive the degrees gives permanent jurisdiction over the candidate so long as he remains a resident of this Grand Jurisdiction, unless a waiver is granted, in which case the Jurisdiction ceases. A member exalted in this jurisdiction shall be ipso facto a member of the Chapter which exalted him without further ballot unless courtesy work was done, in which case the candidate will be a member of the Chapter making the request.

(B) OBJECTION:

Advancement to the degrees may be stayed at any time for any good cause by the Chapter or by the High Priest. A Chapter is not required to take notice of a verbal objection sent through another Companion. All objections to the reception of petitions or conferring of degrees shall be made either in open Chapter or in writing signed by the objector but shall be spread upon the records of the Chapter without the name of the objector.

(C) COMMITTEE OF INQUIRY:

If after the reception of a petition for the degrees or affiliation an objection is made to the candidate or to his advancement by a member of the Chapter, before or after ballot, such objection shall be referred to a Committee of Inquiry with full power to inquire into the situation, which shall, at the next stated Convocation, report thereon. No objection after favorable ballot shall be made by a Companion present and voting, unless the cause arises subsequent to the ballot, or was not known at the time to the objecting Companion. If no just cause to the objection be found, or if the cause assigned be, in the opinion of two-thirds of the members present, not a valid and Masonic cause, the

Chapter may proceed to confer the degree or to ballot upon the petition. If deemed valid, the fee for any degree not conferred shall be returned to the petitioner and the objection shall have the same effect as an unfavorable ballot. Such candidate may petition again after the requisite period.

(D) MARKS:

No candidate shall be exalted to the degree of Royal Arch Mason until he shall have chosen his Mark and the same has been recorded. Every Constituent Chapter is required to keep a proper Book of Marks in which will be recorded the Mark of each and all its members.

(E) DEGREE CONFERRAL

:

A Chapter may confer more than one degree upon the same person at the same Convocation, whether Stated or Special. No Companion will preside at the conferring of the work, except a present or Past High Priest, King or Scribe.

(F) TIME REQUIREMENT:

The length of time a brother has been elected to receive the degree without presenting himself is no bar to his right to receive the degrees, unless the Chapter in which he was elected has a By-law requiring a candidate to appear within a certain period or forfeit his right to the degrees.

(G) COURTESY WORK:

Any Chapter may confer any of the degrees upon an applicant elected by any other regular Chapter, upon request of the electing Chapter. Such request must come from the Chapter having Jurisdiction over the candidate, under its seal, and after ballot by said Chapter, and will be conferred only after favorable action by the recipient Chapter on the request.

(H) Work will be conferred in regular order unless by special dispensation of the Grand High Priest.

Section 3-29 DEMIT

(A) A Companion may withdraw from the membership of his Chapter by giving written notice of such desire and intention at a Stated Convocation, provided no charges are pending against him and his indebtedness to the Chapter is fully discharged or remitted.

(B) The granting of a demit forthwith severs the connection of a Companion with his Chapter. Such action cannot be reconsidered at the same or any subsequent Convocation.

(C) An elected or appointed officer cannot demit during the period for which he has been installed.

(D) A Chapter shall not issue a duplicate demit, but upon satisfactory proof of loss or destruction may issue to the owner a certificate setting forth that a demit was issued at a certain time.

(E) Any Companion desiring to transfer his membership to another Chapter may file his petition for affiliation with the Chapter to which he desires to transfer his membership, without first terminating his membership in his own Chapter. He shall give written notice to his own Chapter of his intention to affiliate with some other Chapter, stating the name, number and location of the other Chapter, with which he desires to affiliate. If the conditions precedent to a demit are fully met with, a certificate of good standing will be issued to accompany the petition for affiliation. If the petitioner is elected, his own Chapter shall at once forward a demit to the Chapter in which application was made. Should the ballot be unfavorable, the petitioner shall continue a member of the Chapter which issued the certificate. The Certificate of Good Standing, if not used ninety (90) days from date issued, will become null and void and of no affect.

(F) A Royal Arch Mason who demit from a Lodge of Master Masons and remains unaffiliated of his own volition for more than six months will automatically stand suspended thereafter as a Royal Arch Mason while such voluntary non affiliation continues.
